Incorporated: 1760

Origin: This territory was chartered in 1737 by the Massachusetts legislature, and the first settlers arrived in 1739. The township was probably named from Charles Mordaunt, third Earl of Peterborough. Peterborough was incorporated in 1760 by Governor Benning Wentworth, with "continuance for two years only." The incorporation was renewed in 1762, to continue until disallowed by the King. Peterborough had the first free public library supported by taxation, and the first mill in the state that wove cloth mechanically. It is home to the MacDowell Colony, a retreat for writers, artists, and composers. Guests have included Edward Arlington Robinson, Leonard Bernstein, and Thornton Wilder, whose play "Our Town" was inspired by Peterborough.
